

src/main/java/com/goldenleaf  
/shop/dto/CustomerDTO.java

```
graph TD; A["src/main/java/com/goldenleaf  
/shop/dto/CustomerDTO.java"] --> B["java.time.LocalDate"]; A --> C["java.util.List"];
```

The diagram illustrates the dependencies of the file `src/main/java/com/goldenleaf/shop/dto/CustomerDTO.java`. Two blue arrows point from the bottom of the top box to the two boxes below it, indicating that the top file depends on the two classes shown in the bottom boxes.

java.time.LocalDate

java.util.List
